## ReThink

(Participant Guide)

**(May 21-27): Are You Rich Toward God?**

Read: Luke 12:13-21

1. Why do you think Jesus talked about money and wealth so much?
2. Read Matt 6:21.
  - a. Why didn't Jesus say it the other way around ("where your heart is, there will your treasure be")?
  - b. If someone "followed the money trail" of your life and went only by where your treasures are, what would it say about where your heart is?
3. What does being rich toward God look like?
4. Differentiate between the Old Testament practice of tithing and the New Testament concepts of giving.
5. Are you rich? (How is that determined, anyway?) How are you challenged to re-think your wealth?
6. Read the following scriptures:
  - a. 1 Corinthians 16:2
  - b. Proverbs 3:9-10
  - c. 2 Corinthians 9:8
  - d. Proverbs 11:24-25
  - e. Haggai 2:8

How do these verses speak to being rich towards God?
